

Rental resume

Maryna Chepeleva & Egor Ermolaev

A couple looking for 1-bedroom / studio apartments

No smoking, no pets.

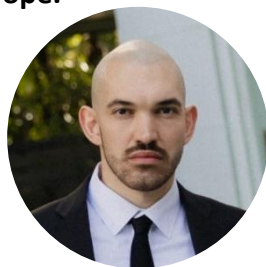

Summary

We both are **doctoral researches** with computer science background and significant scientific outcome, looking for a flat, starting approximately 1st September 2025.

About

Egor is finishing his PhD at the **Interdisciplinary Centre for Security, Reliability, and Trust, University of Luxembourg**. His interdisciplinary research is about **information systems, smart contracts and blockchain**. Egor is a **Member of the Task Force on Digitalization at the United Nations Economic Commission for Europe**.

Born in Omsk, Russia. 29 years old. Studied in Dresden, Germany and Lugano, Switzerland. Egor has been to Luxembourg since 2021. Worked in international crypto and e-commerce startups.

Maryna is doing PhD in **Luxembourg Institute of Health**. She is working in Cancer Department, focuses on developing innovative

computational tools for addressing complex biological challenges in **Cancer Research**. Recently, she won AI Young Professional Award at Benelux Women in AI 2025 Award.

Born in Minsk, Belarus. 27 years old. First visited Luxembourg in 2019 during her voluntary master internship. Lived in Luxembourg since 2023. Now she is in the middle of her PhD (2 more years).

Our Lifestyle

We usually keep busy with work. In our free time, we enjoy doing yoga and CrossFit. Maryna loves cooking and painting, while Egor is focused on his research projects. We don't smoke, don't party, and don't invite guests. We're known as quiet and respectful tenants, and we place a high value on cleanliness and maintaining a peaceful environment. We both plan to obtain Luxembourgish nationality via naturalization and stay in Luxembourg as post-doctoral researchers after our defenses.

Rental history

Both of us have previously rented only through university accommodation – specifically UNI VAL II in Belval. We've been living together since November 2024.
